

OTHER

- Signs will be attached to their respective structures with zip ties at each corner.

After removing all existing signage:

- A) Sign 1 is to be placed on the existing structured fence located on the eastern part of the project/lot, facing Mt Werner Road/meadows parking. It and its stand will not exceed 9' from the ground.
- B) Sign 2 is to be mounted adjacent to sign 1 on the existing structured fence.
- C) Sign 3 is to be mounted on the existing construction fence facing the transit center on Mt. Werner Cir. It and its stand will not exceed 9'
- D) Sign 4 is to be mounted adjacent to sign 3 on the existing construction fence. It and its stand will not exceed 9'.
- There will not be any lighting or projecting.
- The signs will be removed upon completion of the development.
