Construction Stormwater Permit Review (Reviewed By: Scott Slamal)

1. Revise and resubmit SWMP narrative and site plan to meet CDPHE and City requirements as stated during the CDPHE stormwater inspection on 9/14/2023.

Revise city stormwater permit and remove Gavin Malia's contact information. Sign permit before resubmittal. Gavin's information is also noted in the SWMP narrative. Gavin has nothing to do with this project as far as i am aware.

If I can provide any further information to you, please feel free to contact me at (970) 871-8236 or by email at sslamal@steamboatsprings.net.
