Steamboat Springs, Colorado

Dear Mr. Allen,

Per your request, Jacob Mielke, E.I.T. of Steamboat Engineering & Architectural Design Inc., (SEAD) completed periodic visual assessments of the Siloam Stone boulder retaining walls throughout the construction phase for the upper and lower mini-golf courses at the Steamboat Springs Ski Area.

All of the completed boulder retaining walls were constructed in accordance with the SEAD permit drawings dated 08.05.16.

Thank you for the opportunity to provide professional services. Please call or e-mail with questions or comments regarding this letter.

Sincerely,

Steamboat Engineering & Architectural Design, Inc.  
Jacob E. Mielke, Project Engineer
