

WhisperFlo®

High performance pump

Simply the most efficient and quietest pump you can buy

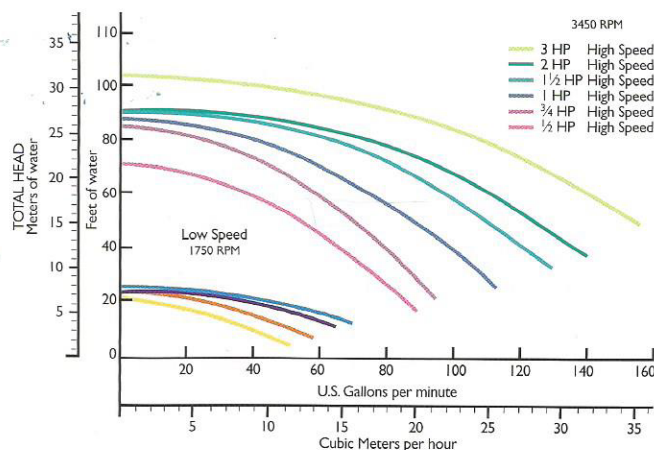

Maximum circulation efficiency at the lowest operating cost. Long trouble-free life. Minimal maintenance. WhisperFlo, the incredibly quiet, incredibly reliable pool pump outperforms the competition by every measure.

Additional features include:

- Oversized strainer basket utilizes durable, flexible material for long life.
- Unique FunnelFlo™ diffuser and high-efficiency impeller maximize water flow and energy efficiency while minimizing turbulence and noise.
- WhisperFlo is made with high-temperature, engineered thermoplastic to withstand extreme heat and prevent corrosion.
- Energy efficient motor features commercial grade frame, rust-proof stainless steel shaft, and permanently lubricated, sealed bearings for long, trouble-free life.
- Available in single and two-speed models.
- Three-year warranty. See warranty for complete details.
