Arnold Barn Move
Steamboat Springs, CO
SEAD Job No. 17079

Dear Mr. Carr,

Steamboat Engineering And Design, Inc. (SEAD), has completed the required special inspection and review of the field log books for the installation of the helical piles at the referenced property. These piles were installed on September 18 and 19, 2018 by Flattop Steel Piering. Based on our observations, the helical piles were installed in accordance with the SEAD permit drawings dated 05.14.18. Please feel free to contact us should you need a copy of the field log book, or if you have any questions regarding this letter.

Sincerely,

Steamboat Engineering And Design, Inc.
