Subject: SPRMU230307 Permit Addendum; 1901 Curve Plz, Steamboat Springs, CO 80487

To Whom It May Concern,

Please accept the enclosed materials in application for an Addendum to this existing permit.

The requested addendum to the Civil Plans, specifically the already installed water main located in the drive aisle between buildings TH 1 (currently under construction) and TH 2 (future phase).

The change is to remove the blow off hydrant at the eastern terminus of this water main and to install an irrigation service connection at this location.

Please contact me directly at (970) 846-8995 if you require any further documentation or have any questions.

Respectfully,

A handwritten signature in blue ink, appearing to read "Gavin Malia".
