- 3)UPATED SQ.FT. ON BUILDING SIGNS w/ 12 SIDED BOX- Sb
- 4)UPATED SIGN 1 TO MATCH SIGN 2- Sb

It is the intent and purpose of this color rendering to provide a basic color representation of your sign finish and color. However, digital media and printed colors will vary from actual paint finish and color. Existing painted surfaces will have a perceptible difference in shade and sheen from your sign finish. Providing a sample of the paint you wish to match or a Matthews paint color formula will minimize the differences.
