

Project: Dan McEntee (MGR0524)

Location: Sundance Court 200, Steamboat Springs, CO 80487

Date: 8/15/2025

To whom it may concern,

The design change from (2) 8'x9' to a single 18'x9' garage doors for the Rushmore garage is acceptable. The change from the box 2x6 header to (3) 1.75"x11.875" LVL headers for the garage door is acceptable. The garage door needs to have a minimum of (4) king studs. The HDU5 needs to be placed at each end of the garage door header.
