Re: TB-20-139; 255 Angler's Drive
Narrative of Drawing Changes in Addm. #1

Hi Malea,

As requested, the following is a narrative of drawing changes on the recently submitted Addm. #1. The changes are also clouded on all the sheets submitted.

1. Hand sink was relocated
2. Prep sink was added.

The plumbing sheet P100 indicates the required plumbing changes.

The other sheets simply show the sinks in their new locations as part of the background.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Mark Timberlake', with a long horizontal flourish extending to the right.
