This letter is to be included with the permit review drawings submitted to Routt County Building Department for permit review on Thursday April 30, 2019 by Jamie Daniels (BREO, Inc. Owner). Due to current circumstances, I was not able to access my office in Boulder, Colorado where my stamp is located at the time the drawings were ready for submittal.

Included under my State of Colorado Licensed Architect stamp are the following drawings dated 2020-04-28 which have been submitted for a Building Permit to the Routt County Building Department:

AG001	PROJECT COVER SHEET

A121	FIRST LEVEL PLAN – REMODEL
A191	FIRST LEVEL REFLECTED CEILING PLAN – EXISTING / DEMO

Thank you,
