Acknowledgement

As the applicant, I understand that all required materials must be submitted prior to review, and the Sign Permit application shall be approved in writing by the Department of Planning and Community Development prior to the installation of any signage. I understand that a sign permit does not constitute approval of a land use. The department accepts no responsibility for any signs that have been constructed prior to approval, which do not comply with standards, approval criteria, a Sign Plan, or any requirements in the Community Development Code.
