Planning Review (Reviewed By: Toby Stauffer, AICP)

1. Provide information that links signs in sign permit data sheet to signs shown on site plans. It appears there are more proposed display signs than are included on the sign permit data sheet. Provide scale drawings of signs on site plans. It appears that signs exceed requirements, please confirm that signs meet sign code requirements or request an adjustment.
2. CD05: signs as shown appear to exceed required sign amounts and are inconsistent with signs as listed in sign permit data sheet, please revise

If I can provide any further information to you, please feel free to contact me at (970) 871-8280 or tstauffer@steamboatsprings.net.
