

Checklist #2 for Building Permit Applications

This list is provided to help speed up your plan review by making sure the basic required information is shown on your submittal. **Plans will not be accepted if the required information is not shown or if an item marked as “N/A” is deemed to be applicable for this type of project.** Additional information may be required based on site-specific conditions or to respond to City development review comments. Please call the appropriate City department if you have any questions related to a specific requirement. The applicant is required to review and sign the affidavit on the bottom of this checklist, accepting responsibility for any incomplete submittal and thus possible result of a delayed review time. For additional information regarding a particular requirement, see the Routt County Building Department website.
