Green Horn Ranch
Grading Permit Addendum #2

UPLOAD: GHR_GradeFill_Addendum #2 Dated 8/10/2022

The information on the upload is being issued as Addendum #2 to the GHR Bid/Permit Set Drawings dated 6/18/2021 and further updated 6/14/2022. This is filed under Permit B-21-751

Addendum #2 Narrative

Site plan has been updated to capture specific site details that have been coordinated with US Forest Service. Specifically, details for BMP provisions such as adding rock check dams to road side swales, extending water bars at culvert outlets, and identifying culverts that are a part of the future long term design and not installed until vegetation is completed. Boulevard Road crossing at Eagles Nest has also been identified as work to be included in scope.
