

No-Rise Certification

This is to certify that I am a duly qualified registered professional engineer licensed to practice in the State of Colorado

It is further to certify that the attached technical data supports the fact that proposed 135 11th St. (Name of Development) will not impact the 100-year flood elevations, floodway elevations, or floodway widths on the Yampa River (Name of Stream) at published sections in the Flood Insurance Study for the City of Steamboat Springs (Name of Community) dated _____ (Study Date) and will not impact the 100-year flood elevations, floodway elevations, or floodway widths at unpublished cross-sections in the vicinity of the proposed development.

Attached are the following documents that support my findings:
