RE: Traffic Waiver for a Conditional Use application as required to operate a K-8 elementary/secondary school, at the existing Steamboat Christian Center property at TR In SE4xSW4 SEC 28-6-84, 821 Dougherty Road

Dear City of Steamboat Springs Planning Department,

Please accept this letter as a temporary placeholder for the traffic waiver for this project. Based on the last conversation between city engineering and applicant, it sounds like a waiver letter is on the way. We will submit it as soon as it is received.

Sincerely,

Brian Adams
