Please leave your comments or questions below. I am a resident of Quail Run. I recently became aware of the proposal to build two new hotels on Hwy. 40 south of Walton Creek Road. I and my neighbors are very concerned about the fact that the proposal includes a bridge from the highway which would route traffic through what is now the very quiet cul-de-sac that is Stone Lane and then down Whistler Road which I understand would more than double traffic in our neighborhood. This will have a tremendous negative impact. This is a high density area with a lot of small children riding their bikes on Whistler and this proposal threatens their safety and the quality of life of literally hundreds of people. I strongly urge you not to approve the Stone Lane bridge proposal.
