

### 3367 Apres Ski Way

This project consists of converting an existing basement into a Secondary Dwelling Unit. The existing basement has a legal commercial kitchen that will be removed. We will be replacing the commercial kitchen with a residential kitchen. To accommodate the 650 sq' maximum we will walling off one of the existing bedrooms. We will add an exterior door to the room so that it can only be accessed from the outside. This room will used for storage. We will also we walling off the existing stairs that access the second level. The total unit will be 650 square feet.
