

Shreddies Food Limited Use Permit

Narrative

Shreddies Food is operated under JHDB Adventures LLC. We are based out of Steamboat Springs, Colorado. Our mission is to serve Routt County delicious cheesesteaks & hoagies. We operate out of a mobile food trailer that will be placed outside of Steamboat Basecamp. We will be servicing the daytime working population on the west side of town, predominantly for lunches but also including the morning commute crowd.

To address section 302.D.2-

We plan to operate in a paved parking lot, serving walk up guests. We will work with planning department to dictate exact parking spots deemed compliant without displacing required parking spaces for property. We will situate the trailer in such a way to not impede on public right of way or emergency access. Our trailer is a new unit and will be kept up in such a way to maintain a great appearance inside & out. We will provide 2 waste receptacles, 1 for recycling and 1 for trash, marked clearly and being disposed of daily.

Steamboat Basecamp is located at 1901 Curve Plaza, Steamboat Springs, CO 80487
