	TOTAL COMMITMENT GUARANTEE REQUIRED									\$	19,975.

## Notes

a) Cost Estimate Based on recent costs for similar projects. Actual costs may vary.

b) Contingency Factor for improvements = 1.15 if incomplete or 0.15 if preliminary acceptance for public improvements has been granted.

This Opinion of Probable Construction Cost represents Landmark Constultants' best judgment as the engineer familiar with the construction industry. However, Landmark Consultants has no control over the cost or availability of labor, equipment or materials, or over market conditions or the Contractor's method of pricing. Therefore, Landmark Consultants cannot and does not guarantee that proposals, bids, or the construction cost will not vary significantly from the Opinion of Probable Cost. All costs in current-day dollars.
